

# LINE-IN + AUTO LINE-OUT FUNCTIONALITY

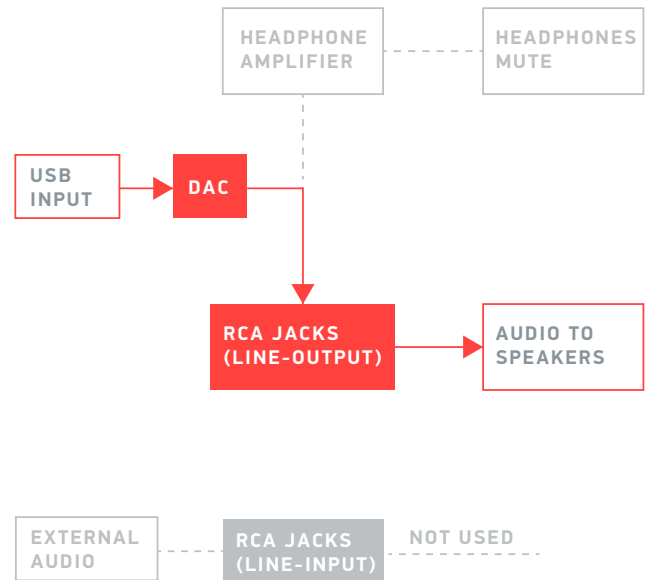

Feature available on customized Elements only! Refer to your order for available features.

## RCA INPUTS DISCONNECTED

### ELEMENT TURNED ON

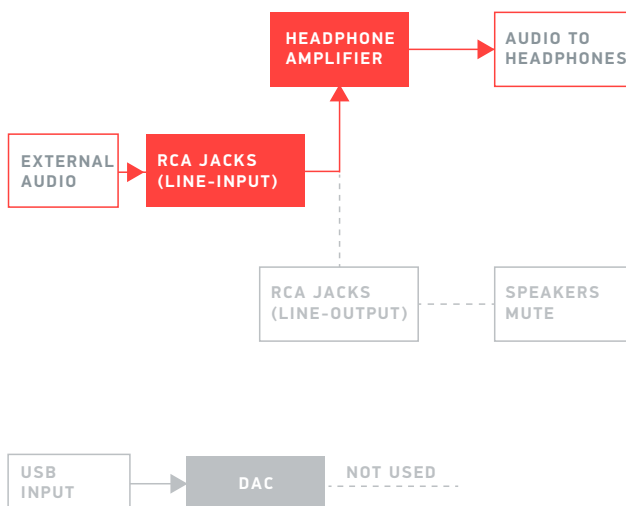

### ELEMENT TURNED OFF

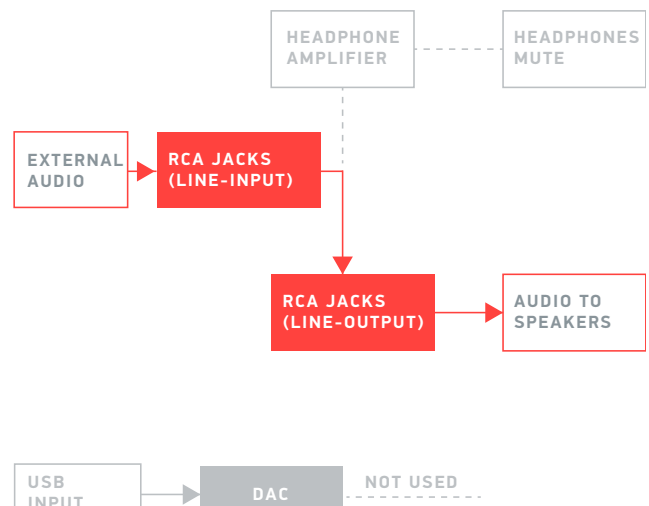

## RCA INPUTS CONNECTED

### ELEMENT TURNED ON

### ELEMENT TURNED OFF

This configuration adds a second set of RCA jacks to the Element, allowing you to listen via USB audio or from an external audio player. Audio passes to the line-output jacks when the Element is off and toggles instantly to your headphones when the Element is powered on.
